BACK TO THE FUTURE

Power up your DeLorean...recharge your flux capacitor...and get ready to relive this unforgettable movie classic! *Back to the Future* is the 1.21-gigawatt blockbuster that topped the 1985 box office chart. Now, fans old and new will experience the thrill of *Back to the Future* like never before—on a big hi-def screen with the Boston Pops performing Alan Silverstri's dazzling musical score live in synch with the movie. Audiences will also be in for an exclusive treat: approximately twenty minutes of brand new music added by award-winning composer Silvestri to the film's score especially for these concerts.
